Hi I thank you for my warranty folder. I am overly satisfied with my new window. Will mention also, I was very impressed with your two young men who installed the window. They were very polite, fast workers and neat. My daughter's dog liked them too - he (Riley) was locked in the garage and never barked when they were in the house. This was a first for him. Excuse me for not using a card (I have a box full) - it just seems quicker this way. Just
